A STRANGE ANIMAL.—A strange monstrosity in the shape of cat with a double body and seven legs is displayed by "Gus," 725 Eighth street.

A FAMOUS summer resort is the Hygeia Hotel, at Fortess Monroe. Mr. Phoebe, the genial proprietor, has at his well-stocked bar for sale Lemps's Extra Pale.

A SPECIAL meeting of Kit Carson Post No. 2, G. A. R., was held last night at Grand Army Hall, corner of Ninth and D streets, to make arrangements for attending the funeral of General Grant. Resolutions of respect were adopted.

JAMES THOMAS and George Hawkins, two colored boys, were in the toils at the Police Court this morning for a piece of reprehensible vandalism. They broke a large limb full of half ripe fruit off a valuable pear tree. They got one month each.

ALL orders for family use of Lemps's beer left at Chris Auer's depot, 412 Third street, will be filled the next morning, if left the previous evening. All orders left in the morning will be filled in the afternoon. These rules had to be made on account of the daily increasing pressure on his horses.

EX-CONFEDERATE soldiers temporarily residing in Washington are invited to meet on Wednesday (Wednesday) evening at 8 p. m., at parlor No. 10, Willard's Hotel, for the purpose of discussing the feasibility of attending the funeral obsequies of General Grant on Saturday next. City papers will please give notice.

JOSEPH MULLHALL of the District Five Department, and Miss Magde Sullivan were married at St. Peter's Church, Capitol Hill, last evening at 6 o'clock. Joe is a popular young man and his many friends wish him well. There was a large attendance at the church and an enjoyable reception was held by the happy pair after the ceremony.

A SMALL white boy, named Frank Smith, was run over by car 121 of the Avenue line, at the corner of Fifteenth street and the Avenue, last evening. The boy's head was badly injured. The driver, Thos. McLane, was arrested and charged in the Police Court today with assault. The case went over for two weeks.

THE Union Veteran Corps, First Company, held a meeting last night. It was decided to leave the city Friday night at 10 o'clock by the B. & P. R. R. An invitation was received and accepted from Adam Goss Post, No. 330, G. A. R., New York, to be their guests during their sojourn in New York during the funeral of General Grant. On their return they will leave New York city Sunday night at 9 o'clock.

JOHN FREELY, the watchman at the Metropolitan Hotel, charged Charles Weirman in the Police Court this morning with assault. The evidence was to the effect that the watchman, last evening, charged Weirman with sleeping in the lobby of the hotel. The man denied that he was asleep and the watchman called him a liar. Judge Mills said it was no great crime for a man to go to sleep in a hotel. Case dismissed.

If you take a walk on the Avenue at night call at Sam's and Lemps's extra pale beer. This famous beer keeps it ice cold. Colonel Staples of Willard's laid in a staple stock of Lemps's. The Willard's bar know how to keep Lemps's; so does the Riggs House. The St. Marc Hotel keeps Lemps's and the American House bar, under its popular management, have a great run on the extra pale beer. Call for it, it is kept at nearly every place.

The Waverly Club Affair.

In the case of James A. Caldwell against George F. Ketchum and Samuel W. Anderson, Justice Hagner today made an order appointing Albert C. Armstrong receiver on filing a bond in the sum of \$2,000. He is to take possession of all the money, property, furniture and fixtures situated in No. 1213 Pennsylvania avenue northwest, now occupied and used by George F. Ketchum, and known as the Waverly Club, and he is to continue the business of the copartnership under the articles of agreement for the benefit of the partnership until the final order of the court is made in the case.

Chinamen in Court.

Moy Henry and Charlie Sing, two Chinamen, who keep a laundry at Ninth and D streets, were defendants in the Police Court this morning for being disorderly. Officer Sutton testified for arresting them Saturday night for engaging in a row with some white men. The Chinamen charged a white man with trying to pass a counterfeit bill on them, and that riotous and pokers were thrown at the white men through the window. The celestials charged the white men with spitting tobacco juice on the collars and cuffs. The charge was dismissed.

No Grounds for Divorce.

On motion of complainant's attorney, the case of Jennie E. Scott against Henry E. Scott for divorce on the grounds of cruelty and adultery, filed in January, 1884, was dismissed by Judge Hagner in the Equity Court on Friday, the evidence not sustaining the charges, and not a particle of proof being adduced showing any improper conduct between Mr. Scott and the lady named in the bill.

Death of Dr. H. W. King.

Dr. H. W. King, for fifteen years a clerk in the Navy Department, died at his residence on O street to-day.

AN EXCITING CONTEST.

The Game to-morrow between the Athletics and Nationals, promises to be one of the most interesting of the season. Though the former are only fifth in the race, yet they are one of the strongest nines in the American Association, and about the only club in that association that the Nationals could not defeat in April. Our own club of August is not our club of April, as the Quaker City boys will soon discover. Barr will pitch, and will probably be supported by Fulmer. You may set it down as a victory for the Nationals. The wonderfully good ball the home nine has been playing lately, has largely increased the attendance at the games, and no doubt the full capacity of the grounds will be tested to-morrow.

The Nationals played a beautiful game yesterday, and one well worth going far to see. The visitors only succeeded in hitting Barr safely twice, and they were supported by Trotter, without an error. In fact, only one error was made by the whole nine. Their batting was quite free, Hoover leading with four hits. It is hard to see how the Virginia can beat them as now constituted.

Following are the results of yesterday's games: Boston—St. Louis; Providence—Detroit, 11 to 9; Cincinnati—St. Louis, 3 to 1; Virginia—Cincinnati, 7 to 6; National—Newark, 5 to 0. The batting and fielding averages of the Nationals for the season are something to be proud of. Burch leads the former and Barr the latter. Hoover stands a fair chance of making 100 base hits first, while Knowles and White follow him closely.

Manager Scanlon will go with the Nationals on their trip the last of the week to Norfolk and Richmond. The club plays six games and it is safe to say that they will win five of them.

President, Secretary, Treasurer, et al. Diddelbock of the Eastern Association has concluded to accept the flat of the association and turn over his papers to his successor, Mr. Ballard of Newark. This is a very sensible conclusion on the part of Mr. Diddelbock, and will prevent disagreeable consequences.

Mr. Secretary Young intimated in a Sunday paper that the Cincinnati would take the place of the Buffaloes in the League. The Cincinnati would be glad to do it if the League would consent to Sunday games. This the League will not do, hence the hitch. About one half of the season's printrage in Cincinnati is received from the Sunday games, and the directors hold that the club could not live without them. The Critic has it from good authority that Pittsburgh will take Buffaloes place, and that Brooklyn will take the place of Providence in the League. The "Mets" will surely disband at the close of the season, thus leaving three vacancies in the American Association, and it will be very chilly if the Nationals do not get one of them.

Aquatics.

The storm last night filled the river with drift wood and made the current very rapid. Shell rowing was a difficult matter. The Columbus did not attempt to take their eight oar, but the senior four, Nute, Klutner, Wade and Kondrup, went out in the four oared shell; Ellis Ward took four more out in the gig and Andy Smith took two more out in the Terry, making the eight oared crew and two substitutes.

The senior four of the Washingtons, Smithson, Baker, Ryan and Sweeney, took a long pull to the river, but did also the senior four of the Potomacs. The race in singles, between Smithson and Kearney is "off." The men may meet later in a race open to all District scullers.

Turf Tips.

THE CRITIC'S Monmouth tips have been excellent lately. The races to-day, however, are somewhat harder to pick. For the first event either Suley or Richard L. The second race would fall to either Buffalo or Long Stop. The third race will be the hardest to pick, but either Pontiac or Richmond should win it. The fourth race should go to Barnes or East Lynne, and the fifth race to Valley Forge or Error.

The Rifle Cadets' Camp.

All arrangements have been completed for the Rifle Cadets' encampment. The command, forty strong, headed by the Laurel Cornet Band, will leave the army Saturday afternoon, August 8, at 4 o'clock. The line of march will proceed by way of the Tenth, to F. to Fifteenth, to Pennsylvania avenue, down Pennsylvania avenue to Seventh street and Seventh to the wharf of the steamer Lady of the Lake, on which the company will embark for Colonial Beach at 5:30 p. m. On arriving at the beach, at about 10:30 p. m., the command will be received by the reception committee, Mr. E. P. Hickey, chairman, and escorted to the hotel, where a bountiful supper will be prepared. The guests of the hotel and cottagers have been in eager anticipation of the camp, and the boys expect to give a good account of themselves.

The following officers have been detailed for special duty during the annual rifle contest of the Department of the Missouri, at the Fort Leavenworth range, from August 5 to August 15: Captain Jacob Kline, Eighteenth Infantry, in charge; First Lieutenant George F. E. Harrison, Second Artillery, and Charles H. Cabanis, Eighteenth Infantry, and Lieutenants John S. Mason, Jr., First Infantry; Edward H. Catlin, Second Artillery, and William F. Wood, Eighth Infantry, range officers, and Lieutenant James V. S. Paddock, Fifth Cavalry, statistical and financial officer.

Colonel Elwell S. Otis, Twentieth Infantry, reported in command at Fort Assiniboine, Montana, July 25. It is understood that the appointment to lieutenant in the Signal Corps will not be made until the non-commissioned officers, now undergoing final examination at Fort Monroe, have been appointed.

Lieutenant Edward H. Catlin, Second Artillery, has been granted leave for a month when he can be spared from Fort Leavenworth, with permission to apply for one month's extension.

General order No. 89, issued from headquarters of the army, amends paragraph 10 of the Army Regulations relating to the order of rank of officers and non-commissioned officers. The changes made are to place regimental saddle sergeants next in rank below first sergeants, from formerly ranking with regimental quartermaster sergeants; and placing post quartermaster sergeants (a new grade) with Ordnance and commissary sergeants and first class hospital stewards.

Colonel Edmund Rice, captain Fifth Infantry, will be relieved from duty at the Fort Leavenworth Military Prison September 1, and join his company at Fort Knapp, Montana. The charges against Sergeant Michael McGauran, Signal Corps, for his conduct in refusing to accept the colored Signal Service man as his assistant at Pensacola, were forwarded yesterday to the Secretary of War. He is charged with dereliction of duty, insubordination and conduct prejudicial to good order and military discipline.

EAST WASHINGTON.

Advertisements and subscriptions for THE CRITIC received at Doolittle's drug store.

A LUNATIC AT LARGE.—Zachariah Campbell, a crazy man, was wandering around Capitol Hill last night armed with a loaded revolver. He was taken in charge by the police and sent to the Insane Asylum this morning.

REPAIRS NEEDED.—The pump on the corner of Thirteenth and C streets northeast is out of repair and has been reported to the authorities eight times. A large number of persons are dependent upon this pump for water, and it should be repaired at once.

STREET IMPROVEMENTS.—The chain-gang is making rapid progress in the improvement of East Capitol street east of Lincoln Park.

CHRIST CHURCH EXCURSION.—The reapers of Christ Church (Navy Yard), will give an excursion to Lower Cedar Point at 8 a. m. Friday.

AN ARMY AT LARGE.—Alexander Jones and James Sharp, two colored boys who attend cows on the commons, were arrested this morning by Officer W. T. Clinton for an attempt at rape on Mary E. Washington, a colored woman, during last week. When the act was committed the boys were in the chain-gang, heard the screams of the girl and frightened the men off, but could not pursue them as he had to watch his own men. Ever since the police have been on their track, and they were captured this morning at 10:30 o'clock. The catchers will be heard to-morrow in the Police Court.

THE excursionists to Virginia Beach last Sunday were agreeably surprised by finding there their favorite beer, Lemps's Extra Pale.

SOUTH WASHINGTON.

RESIDENTS INCONVENIENCED.—The petition which was submitted to the Commissioners by Lieutenant Greer of the First Precinct Police-Station for the residents in the vicinity of Sixth and E streets southwest, urging the immediate repair of the pump on that corner, having received no attention by that honorable body, another like petition is receiving endorsements and will be presented to the Commissioners by a delegation of the residents in a few days. Great inconvenience is caused by residents who depend on the pump at that corner for water, as the next nearest pump in working order is four squares away.

A CAUSELESS AFFRAY.—Two neatly-dressed white men accidentally met at the corner of Seventh and M streets, and then followed by a mob of this morning, and, apparently, without any preliminaries, engaged in an affray, during which both were badly bruised about the face. Officer King, who is detailed at the steamboat wharves, placed both participants under arrest and at the station each left \$5 collateral for his appearance at court and departed seemingly satisfied.

The Gorman Relief Fund.

The following contributions for the relief of the children of the late Officer Gorman was received at THE CRITIC office: Clemis Heitinger, \$1.00; Daniel O'Brien, Emmett House, 5.00; Previously acknowledged, 3.50. \$9.50.

AMUSEMENTS.

"Boccaccio."—The whole season of summer opera was crowned last evening by the performance of F. von Suppe's comic opera, "Boccaccio," with Miss Jeannie Winston in the title role. "Boccaccio," although quite as well known generally as the other operas of Suppe, is almost a stranger in this city. The opera as produced last night was somewhat of a revision, but by no means equal to the original. Taken as a whole, it was the most creditable performance yet given by the Winston company, as Miss Jeannie Winston appeared at her best, and the role is well suited for her versatility. Her ability as a comedienne was fully demonstrated in the part of the grocer's boy. Messrs. Allen, Hogan and Bell, the comic trumvirate of the company, were even funnier than usual, and their excellent trio in the first act captured the audience. Miss Rose Leighton as Peronella made a great hit. Miss Annie Meyer, who has heretofore taken a subordinate part, greatly surprised everyone with the richness of her voice and the vivacity of her action in the finale to the first act. She was enthusiastically cheered. Her voice is clear, sweet and strong, and far surpasses that of many a one who poses as a comic opera prima donna. Miss Meyer is too good to remain in the chorus. With the devotion to her profession, which she doubtless possesses, she will before long become a leading light on the light opera stage. She has not a commanding stage presence, but with vivacity and chic that lack will readily pass unnoticed. Best wishes for her success. Miss Louise Searle sang with her usual sweetness, the audience being greatly pleased with her rendition of the old love ballad, introduced in the first act. The chorus, which has now such great favor in this city, did what little work it had to do in a spirited manner. The beautiful prelude to "Boccaccio" was entirely omitted last night. This should be remedied. "Boccaccio" will run through the week, with no matinee on Saturday.

Paymaster-General Smith's Testimony. In the court-martial of Paymaster-General Smith to-day, the accused completed his testimony on his own behalf, and was cross-examined by Assistant Attorney-General Manly, for the prosecution. Accused went in detail into all the transactions specified in the charges, and explained in detail the purchase of butter for the Greeley Relief Expedition, and the pork, and the contracts for dirty boxes and mattresses, in all of these cases he had conferred with the Secretary of the Navy, and since January, 1883, weekly statements of purchases were made to the Secretary. He denied in the broadest possible way having ever been improperly influenced in any way in his official action in purchasing supplies and stores, but that his action had been dictated in every case by a desire for what he believed to be the best interests of the service. On cross-examination he said he had been intimate from boyhood with Mr. Brown, the contractor, and also with his father, but that had nothing to do with his official action in any case; he knew nothing of a Congressional investigation of Mr. Brown, but had heard of one. The examination was still in progress when this report closed.

WEST WASHINGTON.

BEREFT OF HIS CLOTHES.—Arthur Snyder, a young man about 19 years of age, went in bathing in the river near the Chain Bridge last evening, leaving his clothes on the shore. Three colored boys stole them. He attempted to swim to the shore, but was seized with cramps. He managed to reach his boat, and clung to it until 3 o'clock this morning, when he was picked up by Robert H. Holzman, who furnished him clothing. He was much exhausted, and was sent to the asylum.

COAL RECEIVED.—Twelve boats loaded with coal have arrived since last report.

CATTLE SALES.—Drovers' Best live-stock sales, reported by Travellers' Rest, proprietors, August 3, 1885: 150 cattle, up 25 left over; best, 44 to 5; good, 41 to 43; medium, 4 to 42; common, 34 to 4; 397 sheep and lamb at sheep; 3 to 34; lamb, 54 to 61; 10 cows and calves at \$20 to \$40 per head. Market brisk.

WATER'S CONDITION.—Temperature and condition of water at 7 a. m.: Great Falls, temperature, 72; condition, 1; receiving reservoir, temperature, 80; condition at north connection, 2; condition at south connection, 3; distributing reservoir, temperature, 83; condition at influent gate-house, 4, condition at effluent gate-house, 18.

Low Rate Tickets to New York on August 8th via Pennsylvania Railroad. For the benefit of those who desire to attend or participate in the funeral ceremony of the late General U. S. Grant, to be held in New York, Saturday, August 8th, the Pennsylvania Railroad Company will sell round trip tickets from Washington to New York on August 7th and 8th, good to return until the 10th inclusive, to the public at \$6.50, and to military organizations, Grand Army Posts, or other organized bodies of fifty men or more, at \$5.00.

It is suggested, in view of the great demand for transportation facilities, that organized bodies apply at once to the Passenger Department in order to secure accommodation.

Death of Benjamin Vandenberg. Mr. Benjamin Vandenberg of Northeast Washington, who left for his parental home at Hightown, N. J., two weeks ago, died at that place Saturday from consumption. Mr. Vandenberg had been a resident of Washington nearly six years, most of which time he carried on the grocery business. His health became so impaired of late that his physician ordered a change of atmosphere. He began to sink rapidly just after his arrival home. He was a brother-in-law of Nelson Brumagin of the St. Marc Hotel. His funeral took place to-day, the interment being made in the family burial ground in Hightown.

Pleaded Guilty of Assault. John Lee, a young colored man, pleaded guilty before the Police Court this morning to the charge of assaulting another colored man. The prisoner was committed for the action of the grand jury. Grimes stated that he came home yesterday and found the defendant up stairs in his house with a knife in his hand looking in the mirror. He ordered the intruder out and he said: "I came here to cut your throat and go on the scaffold and hang." He then followed witness and stabbed at his throat but only cut him on the hand.

Vindicated His Chief.

Thomas Walsh and Thomas O'Neill were put on trial before Judge Mills of the Police Court this afternoon on a charge of assault to kill August G. Alber, a member of the Fire Department. Alber stated that he and Wm. French, also a member of the department, went into Fritz Nlemson's saloon, on Twenty-first near K street, last Wednesday, to get a glass of beer, and the defendants began to talk in a derogatory way of Chief Engineer Cronin. Alber said Mr. Cronin was a good man and suited him, and he didn't want to have any more talk on the subject. Walsh then named two foremen and another member of the department and said they were no more fit to hold positions than dogs. Witness called him a liar and he struck witness on the right shoulder. He was struck several times afterwards and he discovered later that he was cut in four places. Dr. Nlemson, one of the department surgeons, testified that the wounds were made by a cutting instrument. Mr. French corroborated Alber.

Walsh was fined \$10 and O'Neill was discharged.

We, the undersigned Banks and Bankers, being desirous of showing our respect to the memory of General Grant, who, as General Commanding the Army and as President of the United States, resided during a considerable period in our city, hereby agree to close our respective places of business, as far as practical, on SATURDAY, the 8th inst., the day set apart for the funeral of the illustrious deceased.
